Advice about the length of self-isolation and who should isolate is changing – so follow the latest NHS advice to help stop the spread of the virus

Think ahead! We all need to help each other

Why not ring a family member or neighbour or friend you trust, who can arrange to collect shopping for you should you need it? They can put it on your doorstep or must stay 3 steps away from you if you become ill or are self-isolating.

If you are well and mobile, ring a friend or neighbour to offer help collect shopping for them if they become ill.

If you want to volunteer to help others locally – call **Assist Teignbridge on 01626 888321** and give your name, address, contact number and email. Assist Teignbridge are co-ordinating volunteer help to get the maximum benefit for our community in the crisis. They will call you when needed.
